Subject: Applications for Change/Transfer for Our Chattaroy Springs Water System

Dear Doug:

After discussing our 3 pending Applications with Conservancy Board Member George Schlender, we hereby withdraw the two following Applications:

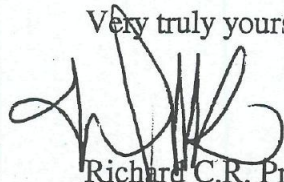

- 1) G3-30048P and
- 2) G3-29495C.

The reason for withdrawing 2 of our Applications is that the requested changes to the primary right G3-27039C will accomplish the intended purpose, since the other 2 rights are supplemental and do not add any Qi or Qa.

The third pending Application for G3-27039C should remain active.

Thanks for your time and work on this. If you have any questions, please call me at 233-8700.

Very truly yours,

Richard C.R. Price, P.E.
General Manager/Engineer

Doug

DEPARTMENT OF ECOLOGY
EASTERN REGIONAL OFFICE

THIS MESSAGE IS FROM DICK PRICE. IF YOU HAVE QUESTIONS, PLEASE CALL HIM AT 233-8700.

Doug:

The Stevens P.U.D. understands from our 4/16 phone conversation that another Water Rights Application is able to proceed ahead of Stevens P.U.D.'s Water Rights Application. It is also understood that our Application would most likely be ready for approval at the next Spokane Water Conservancy Meeting.

The Stevens P.U.D. gives their "ok" for this order of approval. Please keep us posted as to the date that our Application is in line for approval.

Thank you,

Dick Price
